

**ZONING ADMINISTRATOR**  
**NOTICE OF DECISION**

**Date:** June 18, 2012  
**Applicant:** Jump SD, LLC  
**Case No.:** PCC-12-016  
**Address:** 851 Showroom Place Suite 100  
**Project Planner:** Caroline Young

Notice is hereby given that on June 18, 2012, the Zoning Administrator considered Conditional Use Permit (CUP) application PCC-12-016, filed by Jump SD, Inc. ("Applicant"), at 851 Showroom Place Suite 100 ("Project Site"). The Applicant requests a CUP to allow an indoor trampoline facility, "Sky Zone". The Project Site is zoned "Village Center" (VC-1) Planned Community District Regulation by the Eastlake II Sectional Planning Area (SPA), and has a General Plan designation of Commercial Retail (CR). The Project is more specifically described as follows:

The Applicant requests approval of a Conditional Use Permit to operate the "Sky Zone" a children's indoor trampoline park with associated party room, café, and offices within an existing building ("Project"). The business will be located in a multi-tenant commercial/office building, with shared parking spaces. The site is located in the Eastlake II Planned Community, and is designated as a "Village Center" (VC-1) District by the Eastlake II Sectional Planning Area (SPA). Pursuant to Sections III.1 of the Eastlake II Planned Community District Regulations, indoor recreation facility, are permitted uses upon approval of a Conditional Use Permit.

The Planning Staff has reviewed the proposed project for compliance with the California Environmental Quality Act and has determined that the project qualifies for a Class 1 categorical exemption pursuant to Section 15301 of the State CEQA Guidelines. Thus, no further environmental review is necessary.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code and the Eastlake SPA plan has been able to make the conditional use permit findings as required by CVMC Section 19.14.080:

1. **That the proposed use at this location is necessary or desirable to provide a service or facility which will contribute to the general well being of the neighborhood or community.**

The proposed indoor trampoline facility will provide necessary and desirable recreational services for the community at this location. The proposed use will provide this type of facility for this area where no other similar facility is available. Thus, this facility and the services it provides will contribute to the general well being of the neighborhood and the community.

2. **That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.**

The proposed use will not be detrimental to the health, safety or general welfare of the residents or workers nor to property or improvements in the area. The characteristics of the proposed use and its operation do not have features that could have detrimental effects. The use will be subject to meeting all health, safety and general welfare standards and regulations set forth by the City of Chula Vista. The proposed use will be in a completely enclosed existing building and far away from residential properties. Noise from children will be contained inside the building and no outdoor activities will be permitted at any time.

3. **That the use will comply with the regulations and conditions specified in the code for such use.**

The granting of this Conditional Use Permit is conditioned to require the Applicant and Property Owner to fulfill its conditions of approval and to comply with all applicable regulations and standards specified in the Municipal Code, and the California Building, Fire and other applicable codes, for such use. These conditions will be enforced through building plan review, inspections prior to occupancy of the use and subsequent operation of the business. Furthermore, the conditions of this permit are approximately in proportion to the nature and extent of the impact created by the project in that the conditions imposed are directly related to, and of a nature and scope related to the size and impact of the project. The project will comply with all regulations and conditions specified in the Zoning Code for uses established under PCC-12-016.

4. **That the granting of the Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any governmental agency.**

The General Plan designates the site as Commercial Retail. This finding is met because the operation of the Project, as approved by a Conditional Use Permit pursuant to the Eastlake II Sectional Planning Area (SPA) Plan, is consistent with Commercial Retail (CR) permitted land uses. Thus, the proposed project is

consistent with the Commercial Retail (CR) General Plan land use designation and will not adversely affect implementation of the General Plan.

BASED ON THE FINDINGS ABOVE, THE ZONING ADMINISTRATOR hereby approves Conditional Use Permit PCC-12-016 as described above subject to the following conditions of approval:
